

- > All discs are available as a standard option
- > All discs can be customized to accommodate special requirements
- > All discs can be combined with more products for complete solution

Functionality and benefits

- > Strong construction for bigger chairs
- > Adjustable glider can compensate for potential uneven surfaces
- > The base fits together with our centre tube and top plate, which ensures that all components work together very precisely
- > Cover tube available to align the edge from base to centre tube
- > Cover tube has the same surface colour as base, so they fit perfectly together
- > Prepared for 40 mm center tube in same surface

Technical specifications

- > We can offer the base in 2 standard diameters:
 - D = Ø450, H = 85 mm, d = 40 mm
 - D = Ø600, H = 105 mm, d = 40 mm
- > Colours available: shiny chrome, brushed chrome, powder coating

Compatible with more products

This mechanism can be combined with more products including frames, triggers, adapters, center tubes, bases and swivels.
